CUSTOM MAT

BY WELLPUTT

#1 PUTTING TRAINING CONCEPTS

WHAT IS A CUSTOM MAT ?

Introducing the Custom Mat, a versatile putting mat that golfers can roll and unroll anytime and anywhere to practice their putting game. This product is designed for ultimate convenience and flexibility, allowing you to improve your skills wherever you are.

Available in four different sizes, the Custom Mat can be personalized with your choice of colors and logos, making it a perfect fit for companies and individuals.

YOU IMAGINE IT WE CREATE IT!

FEATURES OF THE CUSTOM MAT

THAT YOU NEED TO KNOW

HIGH-QUALITY MATERIALS

Crafted from durable, high-quality materials, our Custom Mat is designed to withstand very frequent use while maintaining its premium look and feel.

CUSTOMIZABLE DESIGNS

Choose from a variety of colors and patterns to match your personal style or brand. Whether you prefer classic greens or vibrant patterns, our Custom Team is here to help you.

PORTABILITY

The Custom Mat is designed to be easily rolled and unrolled, providing a portable solution for practicing your putting game. Take it with you to the office, on a golf trip, or use it at home—practice anytime, anywhere.

THE BEST QUALITY ROLL

Our Custom Mat can offer different ball speeds based on the direction of your putt. This variability mimics the conditions of real greens and helps golfers practice for various scenarios they may encounter on the course.

**SPEED BASED ON STIMPMETER:
10FT AND 11.5FT (3M AND 3.5M)**

PUTTING TRAINING MATS

Each mat was conceived to help golfers of all levels improve their putting skills by practicing **Aim** and **Speed control**. Our training mats have been awarded Best Game Improvement Mat by MyGolfSpy.

CUSTOM WELLSTROKE

BY WELLPUTT

#1 PUTTING TRAINING CONCEPTS

A HIGHLY INNOVATIVE TRAINING TOOL

The Wellstroke is a putting template meticulously crafted to master the key technical components of an effective putting stroke. Equipped with visual markers, it allows you to refine your foot setup, ball position, putter head alignment, stroke path, and stroke amplitude, ensuring square impact every time.

To use it, simply place your Wellstroke on the green and utilize the visual aids to set up your position at address. Follow the arc to achieve the perfect stroke path. This will help you develop muscle memory for the ideal stroke, leading to improved precision and consistency.

It's a simple yet effective tool commonly used by tour players for putting green training
